## Want to REALLY know God?

The Bible says that you can have **real peace in your heart**—the kind that is lasting! It's only through **Jesus**. Our own **sin is what separates us from God**. But God, who is full of mercy, sent His son Jesus to earth to die to take the penalty for our sins. **We can be forgiven & cleansed**, just do what the bible says in Romans 10:9 **"If you openly declare that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved."** Don't wait, do it today!

# FANNING THE FLAMES

**It's Time** by Mary Leonard

**T**he Lord gave me an image while praying last week of a tsunami wave that had broken over the shore and the water was rushing in. Only, in the image, it wasn't water; it was a wave of God's love engulfing people and washing over everything in its path. In Ecclesiastes chapter 3:1-2a the Bible says, **"To everything there is a season, a time for every purpose under heaven: a time to be born, and a time to die;"** Now is the time for The Wave tent meeting, and what an appropriate time to have it! Now, more than ever, we need the love of God to crash over us like a wave.

We have just had our world

jerked from one side to another, so to speak. Some have had loved ones die because of covid-19. Other lives have been permanently negatively impacted by covid, either by losing work or because of government high-handed policies. It's time for some good news!

That's what Ricky Leonard Ministries is intending to bring with The Wave. Ecclesiastes says a time to be born. We pray for the lost to be born again into the kingdom. It's their time to be born!

The preacher says a "time to be born and a time to die." This is a time to die to the deadness and darkness of the world. It's a time to refill, re-

## The Wave for Kids

by Mary Leonard

The Wave is reaching the children in the hood! We'll sing songs and play fun games, and eat hotdogs. We will lead them to the cross and they will be saved! Children's lives matter. If a person takes the time, children will always come to Jesus. We aren't "babysitting", these activities have eternal value! Always God wants to reach the children. Some children have a real awareness of God at a very young age. They are aware but at the same time, they lack the ability to voice their interest. When given the opportunity they will come and their lives are just as valuable to God as adults. Saturday morning will be an opportunity to reach families for Jesus.

**BELOW:** Jesus was the spotless lamb, who died to bring all things together, including the lost into the kingdom!

**FRONT PAGE:** The next WAVE that Mary saw in a vision had crystal clear sparkling water that glimmered in the light of God's glory.

new, and refresh in the presence of the Lord and His love. Just as I saw in the image, it is time for the tsunami of God's love to wash over us and engulf us.

Pray with us that the mighty power of God will be demon-

And this is the plan: At the right time he will bring everything together under the authority of Christ— everything in heaven and on earth.

*Worthy is Jesus, the Spotless Lamb*  
By Sarah Leonard

My heart has been full of worship for the Lord this week! I love Easter Sunday, probably more than I love Christmas, because it is the celebration of EVERYTHING that we believe as Christians. Jesus' death on the cross to pay for our sins, his resurrection from the dead taking

strated on April 16th and 17th. Pray with us that God will use us to reach the lost. Pray with us that people are drawn to our tent, and that adults and children put their faith in Jesus Christ as their savior. It's our one desire!

the KEYS to the KINGDOM, hallelujah, followed by his ascension to heaven.

As we approach this weekend, leave your burdens in the hands of the Father, leave your sin and shame at the cross, and just wor-

ship Jesus with all of heaven. Read Revelation 5:6-14. "Blessing and honor and glory and power belong to the one sitting on the throne and to the Lamb forever and ever." AMEN!

## COMING SOON

Sarah is close to completing her book, Victory Over Depression! This is an encouraging and scripture filled book. She shares her testimony about how God set her free from chronic depression, and she shares steps for others to walk in that same freedom that Jesus bought for her on the Cross. It's a quick read: you won't want to miss it.
