## Want to REALLY know God?

The Bible says that you can have **real peace in your heart**—the kind that is lasting! It's only through **Jesus**. Our own **sin is what separates us from God**. But God, who is full of mercy, sent His son **Jesus** to earth to die to take the penalty for our sins. **We can be forgiven & cleansed**, just do what the bible says in Romans 10:9 **"If you openly declare that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved."** Don't wait, do it today!

# FANNING THE FLAMES

**Pennsylvania Update** by Sarah Leonard Rackley

**W**e were invited to western PA to speak at the Flying Dove Ranch. Each year, the pastors of Halton Church of Christ hold a week of meetings with various speakers to encourage and empower their church. I spoke on Thursday night about how we are to Stand Firm in our Faith in God, and not back down. We have the power of God inside of us (Romans 8:11), and when we are under pressure we can draw on that power to give us the strength to keep standing firm. If you would like to hear it, you can find the video recording of it on our Facebook page. Afterward, we prayed for, encour-

aged, and prophesied over many. I was given a beautiful painting as a wedding gift, which is of Jesus' face, and the face of a lion. When I look at it, I think, "The righteous are as bold as a lion!" (Proverbs 28:1).

We drove 225 miles to Reading, PA, and held a Children's outreach on Saturday. We followed the same format we used for "The Wave for Kids" that we did in April. We presented a simple gospel message using props, and had games, songs, candy, and hotdog lunch. We were thrilled to have several children and adults raise their hands to confirm they prayed with us to receive Jesus as

### TESTIMONY FROM RICKY!

#### A WITCH RECEIVES DELIVERANCE:

**JANUARY 20, 2009** - We were ministering in the little, remote village of Ashadaru in Niger State, Nigeria. One of the village pastors came to me and said they had led the village witch to the Lord in a nearby village, but she needed deliverance from her demons. They asked me if I would go and take care of it. Of course I was ready to go. That's exactly why I came. Two young boys came with 125cc mo-

torbikes and we hopped on for a ride through the bush to the other village. The people had not seen many white's there and they were quite curious, gathering around us as we got off the bikes. They sent for the woman and when she came I spoke to her through an interpreter and asked her if she had received Jesus. She said yes. I had her remove a necklace she was wearing that had an amulet filled with some sort of potion. Just like Jesus in the Bible, I cast out the demons "with my word" (Matt 8:16). No need

their savior. On Sunday morning, I spoke at Puerta del Cielo in Reading. When I prayed about what to say, I heard the Lord tell me to give the same "stand firm" message, but instead of the power of God, I was to focus on his great love. The Lord led me to Ephesians 3:16-18 which tells us to be strong in our inner man, and vs. 18 tells us that we can have that strength when we under-

stand how deep, wide, high, and incomprehensible the Love of Christ is for us. At this church, we were able to lead several to receive the baptism of the Holy Spirit, and of course, prayed for and ministered to the people. One little boy received instant healing for a stomach ache. He had been at the children's outreach the day before and had told me it was "the best day ever!"

for yelling and stomping and foaming and calling demons' names. I don't want to know them! They simply must go because I said so. The woman then confessed that Jesus was her Lord and Savior! Halleluiah! We sent her back to her mud hut to bring us all her "charms and potions." One of our boys dumped some gas out of his bike tank and I burned all her evil stuff! (We got it on video).

Later that day we baptized 22 people in a mud hole, and she was one of them Praise God!
