Want to REALLY know God?

The Bible says that you can have **real peace in your heart**—the kind that is lasting! It's only through **Jesus**. Our own **sin is what separates us from God**. But God, who is full of mercy, sent His son Jesus to earth to die to take the penalty for our sins. **We can be forgiven & cleansed**, just do what the bible says in Romans 10:9 **"If you openly declare that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved."** Don't wait, do it today!

FANNING THE FLAMES

Hearing God Speak by Sarah Leonard Rackley

Who can hear God when he speaks? If you are a Christian, you can! John 10:3 talking about Jesus, the good shepherd, says *"the sheep recognize his voice and come to him. He calls his own sheep by name and leads them out."* Jesus said that **all of his sheep** recognize his voice when he speaks to them!

What does the voice of God sound like? He sounds like you. He speaks your language. His voice sounds like a thought in your mind, though it isn't really a thought. It is God's spirit connecting to your spirit to show, teach, or tell you things by his spirit

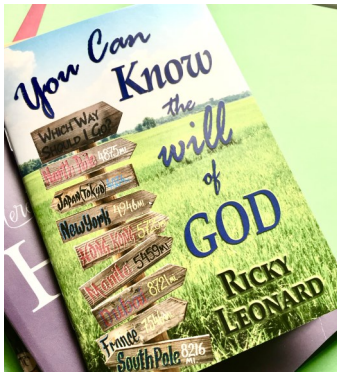

communicating to your spirit. (Romans 8:16) That is why his voice sounds similar to your thoughts. The Bible tells us that he is always looking to speak to us if we would just listen for him (Revelation 3:20).

You'll know it's God by these three things: 1. it will make you wonder "where did that thought come from?", it sounds like God's character (loving, kind, patient, etc), and you can find something in the Word to confirm what God has said to you. He will never tell you something contradictory to the Bible.

I have recently realized that listening to God when he speaks is something that we

all have room to improve in our lives. You never become so spiritually mature that you no longer need to get direction from him... it's the opposite. The more you grow spiritually, the more you need to hear from him all the time!

sure you are doing them! Make up your mind to give more respect to him when he tells you to do something. What God says to us should be the most important thing in our lives. It should be more precious to us than any treasure, and certainly carry more weight with us than anything our family, friends, or mentors say to us.

And, not just hear from him, obey! Has God said something to you that you disregarded? Maybe you didn't like what he had to say so you just dismissed it. My dad always said that if you haven't heard anything from God in a while, go back to the last things that he told you and make

Allow God to have the final say in your life. Pursue quiet time where you listen for his voice. And then determine in your heart to obey him quickly the next time he speaks to you.

came over and said the counselor wanted to see me. When I asked him what he wanted, he whispered, my ankle hurts too, can you pray for me? So I led him in a prayer of repentance and salvation, then for his ankle. He started yelling, did I just get saved? I don't want to! But it was too late...and his ankle was completely healed.

JANUARY 2013 — WHALES, UK
 At the meeting in Merthyr Tydfil, 8 people were saved and many were healed. One lady who is now 60 had terrible arthritis in both legs and was walking with great difficulty and using a cane - she was completely healed. After I prayed, she returned to her seat, but she forgot her cane. She didn't realize she was healed until she got to her seat!

LADY HEALED OF ARTHRITIS

APRIL 2013 — DURHAM, NC As we were packing up to leave after ministry at the juvenile detention center I had a "word of knowledge" that someone needed their right ankle healed. A young man responded in bewilderment; he said, "how did you know my ankle was twisted?" I said that Holy Spirit just told me. We ministered to him and he was completely healed! A few minutes later another boy
