Want to REALLY know God?

The Bible says that you can have **real peace in your heart**—the kind that is lasting! It's only through **Jesus**. Our own **sin is what separates us from God**. But God, who is full of mercy, sent His son Jesus to earth to die to take the penalty for our sins. **We can be forgiven & cleansed**, just do what the bible says in Romans 10:9 **"If you openly declare that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved."** Don't wait, do it today!

FANNING THE FLAMES

Slant Your Ear?? by Mary Leonard

“MY son, attend to my words; incline thine ear unto my sayings. Let them not depart from thine eyes; keep them in the midst of thine heart. For they are life unto those that find them, and health to all their flesh.”

Proverbs 4:20-22

This is the scripture on which I have been meditating. Some think about meditation as something that other cultures practice in Eastern religions, but meditation is just saying something over and over, mumbling it to yourself. The bible tells us to meditate on God's word. I have come to realize that meditation is

what happens when I memorize the word. I say a scripture out loud, and repeat it over and over in order to commit it to memory. While I memorize it, new understanding comes. I realize certain things that I didn't see before.

That is what happened with Prov 4:20-22. "Incline your ear to my sayings" That is hearing from God. I thought about "incline." What happens? I turn my head sideways to incline. I lean in to hear clearer. What is it I'm listening for? 1 King 19:12 calls it "a still, small, voice." The definition in the Strong's for "still" is: *whisper*, and the word for "small" is: *thin, fine, gaunt*. Do you get the pic-

ture? You turn your head at an incline and lean in to hear God speaking to you in a whisper that is so faint that it is classified as thin or fine.

When we are born again, Holy Spirit comes to live inside every new believer. We listen to the voice of God from deep within. There are many voices and distractions coming at us at all times of the day. It takes a strong desire to make time to put away all the distractions and shut out all the different voices coming into our heads so we can incline our ears to hear the whisper of the Holy Spirit. The best way is to make an appointment with God for a quiet time every day. Make

an appointment, and then keep it. For those who are so busy with work, children, projects, you may have to pencil it in on your schedule just as if you would for a business appointment. Treat God with as much respect and consideration, or more, than what you have for your business. Make sure you come to Him and get His input. He has the wisest, smartest, and most knowledgeable advice you could get. "Be still" (Psalm 46:10). Incline, lean in so to speak and strain to hear what He has to say. Remember what the Proverb says: His words are "life unto those who find them, and health to all their flesh."

And now, dear brothers and sisters, one final thing. Fix your thoughts on what is true, and honorable, and right, and pure, and lovely, and admirable. Think about things that are excellent and worthy of praise.

TESTIMONIES FROM RICKY!

SAN ANDREAS, DECEMBER 2016

A woman who came to our morning prayer said she had been suffering with swelling in her foot and had difficulty walking on it.

She went to the doctor, but he couldn't help much. So she decided to "try this preacher out" on Wednesday night. She came up for prayer, but nothing happened. All day Thursday she was in pain and kept thinking about the night before. She decided her attitude was all

wrong. She then said to herself, "tonight I am going for prayer and I will be healed!" She came, expecting her healing and she got it! Folks, it's your very own attitude which keeps you in bondage sometimes. You need to change your stinkin' thinkin'!
