

FANNING THE FLAMES

On the Winning Side by Mary Leonard

We are living at the end of the age.

In the book I am now reading, Renner translates 2 Timothy 3:1 like this: “You emphatically and categorically need to know with unquestionable certainty that in the very end of days—when time has sailed to its last port and no more time remains for the journey— that last season will stand in the midst of uncontrollable, unpredictable, hurtful, treacherous, and menacing times that will be emotionally difficult for people to bear.” (from “Last Days Survival Guide” By Rick Renner).

God wants us to be prepared to “fight the good fight of faith.” (1 Timothy 6:12) He has given us

all the tools that we need to be victorious in this life. (Ephesian 6:10-22, 2 Corinthians 10:4-6) It doesn’t matter the circumstances that we individually face, because whatever the enemy throws at us we have the ability to tackle since “we are more than conquerors,” (Romans 8:37). In the small battles we face, “we must endure hardship as a good soldier of Jesus Christ,” (2 Timothy 2:3-4) knowing that we will win them. And we are assured that in the end, in the last battle, God has the victory and we win the war. Never forget that WE are on the winning side, God’s side! The Lord has put it on my heart to help raise up an end time army of tongue talking, faith filled, prayer warriors who know their

ANXIOUS? GET PEACE WITH GOD.

*The Bible says that you can have **real peace in your heart**—the kind that is lasting! It’s only through Jesus. Our own sin is what separates us from God. But God, who is full of mercy, sent His son Jesus to earth to die to take the penalty for our sins. We can be forgiven & cleansed, just do what the bible says in Romans 10:9 “If you openly declare that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved.” Don’t wait, do it today! Then let us know so we can celebrate with you!*

MIGHTY MEN OF VALOR

By Mary Leonard

authority in Christ. In 1 Kings, God had mighty men of valor; men who learned to be good soldiers.

As I was studying these men of valor, I learned that valor means first, “courage and boldness, as in battle; bravery.” And second it means (which applies more for our use), “to have strength of mind in resisting fear and braving danger. Bravery, especially courage and skill in fighting.” It takes training in order to be a good soldier. After the soldier learns the basics at boot camp, the soldier is equipped with what he needs to face the enemy. In God’s army, we have been equipped and furnished with what we need to face the enemy and win. We have the Holy Spirit who is our constant coach and counselor. He is our secure communication to headquarters in Heaven. He leads us in the divine plan. I think it’s cool that Holy Spirit has eyes everywhere, even in the enemy’s camp. There are no unknowns. Holy Spirit has strategies that He is continually letting us, the army of God, know.

We need to be strong in the Lord and the power of His might! Eph 6:10 Be encouraged saints to win the battle for we ARE destined to win!

WHY CONFESS?

Our partners receive a confession card monthly from us. We know that “the Word that God speaks is alive and full of power!” (Hebrews 4:12 AMPC) Jesus’ words always consisted of what the scriptures said. He spoke the end result, not the problem. Train yourself to ONLY speak God’s Word over your life, your health, your finances, your family, your church family, and the USA. God “gives life to the dead and speaks of the nonexistent things that [He has foretold and promised] as if they [already] existed.” (Romans 4:17) We encourage you to make bold confessions! Speak like God speaks!
