ISSUE 03 | MARCH - 2019 | VOLUME 17

Health Maintenance & Care

From the Archives of Evangelist Ricky Leonard

When the devil loses his grip on you and you gain the victory over sickness and disease, he will try to get it back. He's a sore loser, but he is a loser. Can you lose your healing? Yes. But stay healed! The devil will come with those lying symptoms and familiar infirmities. He will imitate exactly what you had and were healed of. Don't fall for this lie. This is where you draw the line! When a thief comes to your home to rob and assault you, you don't just fling the door open and say "come on in! I've been expecting you." No! You scream. You fight and you try to

defend yourself. You call 911! So when it comes to you keeping your healing, do the same thing! **Be bold.** Tell those lying symptoms to go, in the name of Jesus! Yell if you need to. But get serious. Satan's goal is not to make you sick, but to take you out of action completely; even to kill you! When pain, soreness, inflammation, sickness, weakness or anything tries to take hold of you, you take your spiritual authority over it. Tell the devil, get out you thief! I am a child of God, Jesus paid for my well-being 2000 years ago and you will not take it from me! Most people speak their pain and their problems without giving it a second

thought. The apostle Paul said, “But I discipline my body and bring it into subjection, lest, when I have preached to others, I myself should become disqualified.” 1 Corinthians 9:27. Teach yourself to act quickly, as soon as you recognize a pain, a problem, something coming back on you, rebuke it! Stand your ground and don’t let the thief steal from you anymore! After you have believed God for your healing, continue to speak what the Word of God says over your body and your mind. Never speak what you feel or see, speak what God’s word says. Find scriptures to stand on in times of attack and speak boldly what God says, not what you feel. Healing is your right and privilege! Don’t settle for less!

2011 Ricky preaching in Burkina Faso. He loved the Bible, and wanted every Believer to Boldly obey God and His word!

“Go into all the world and preach the gospel to every creature.... And these signs will follow **those who believe**: In My name they will cast out demons; they will speak with new tongues; they will take up serpents; and if they drink anything deadly, it will by no means hurt them; they will lay hands on the sick, and they will recover.”

- Mark 16:15-18

Mark 16:15-18 was one of my father Ricky’s favorite verses from the Bible because it clearly laid out the calling of every believer, and it was the calling he carried out throughout his life. He preached the gospel to anyone who would hear, he cast

out demons, he spoke with new tongues... and, as you’ve heard in many of his testimonies, he laid hands on the sick and they recovered. What gave Ricky the ability to do this? Was it because he was called by God? Yes. But so are each and every one of you! It says “these signs will follow those who believe.” are you a believer? If the answer is yes then you too have been called by God to preach the gospel and have all of these signs follow you! Now, why would you want to see people believe in the gospel of Jesus, and have signs, wonders, and miracles happen through you? The answer is Love. 1 John 3:22 says “My little children, let us not love in word or in tongue, but in deed and in truth.” You move in the gifts of the spirit because you love people and want to see them healed, set free, and flourishing.
