## Want to REALLY know God?

The Bible says that you can have **real peace in your heart**—the kind that is lasting! It's only through **Jesus**. Our own **sin is what separates us from God**. But God, who is full of mercy, sent His son Jesus to earth to die to take the penalty for our sins. **We can be forgiven & cleansed**, just do what the bible says in Romans 10:9 **"If you openly declare that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved."** Don't wait, do it today!

# FANNING THE FLAMES

**It's Time to Get to Work!** by Sarah Leonard

**Y**ou used to live in sin, just like the rest of the world, obeying the devil—the commander of the powers in the unseen world. He is the spirit at work in the hearts of those who refuse to obey God. **All of us used to live that way**, following the passionate desires and inclinations of our sinful nature. By our very nature we were subject to God's anger, just like everyone else." *Ephesians 2:2-3*

Have you seen or met anyone fitting this description lately? People who refuse to obey God? Those who obey the devil? Ones who so easily give in to whatever feels good or makes them happy, no matter

how evil it may be?

"But God is so rich in mercy, and he loved us so much, that even though we were dead because of our sins, he gave us life when he raised Christ from the dead. (It is only by God's grace that you have been saved!)" *Eph 2:4-5*

Don't worry! There's an answer to fix society. There is a way to solve the drug, suicide, sex trafficking, racial, and other problems we see around us. The evil we see on TV every day can be turned into good news instead... how?! I'm glad you asked. His name is **Jesus**. As he is shared with people, they become brand new and their

## What's Up in 2021

by Mary Leonard

Like many ministries, the plague hampered our travel and outreach during 2020. We are moving forward in our calling this year! As I was seeking God last fall about the next step for RLM, God laid it on my heart to have a tent meeting to reach the lost.

Our plan is to reach our neighborhood and to reach all the hurting people in our city right now. We believe now is the time to reach the many people who are running to God because of hopelessness.

We will get a tent, lots of volunteers, some good music, and advertise like crazy, and hold these tent meetings at the end of March. We will preach Jesus Christ, the ONLY hope for us right now. We will hold a daytime children's outreach, including games and fun activities, to teach the kids about Jesus. Pray for us as we plan.

This is it, it's here! That last great awakening to redeem the lost before the return of Jesus! I'm sitting here listening to an evangelist talk about how much God is moving on the lost to redeem them and bring them into the family of God. I'm so excited that God is using Ricky Leonard Ministries in the same way. Please stand in faith with us about these meetings; we want your agreement in prayer!

**FRONT PAGE:** Jesus Movement tent revival in the late 60s brought multitudes to faith in Christ— We believe this will happen this year for RLM too!

**But how can they call on him to save them unless they believe in him? And how can they believe in him if they have never heard about him? And how can they hear about him unless someone tells them?**

lives change. When Jesus is shared with LOTS of people, we have REVIVAL.

As I've been praying about 2021 and I asked the Lord to tell me "What do you want to do, Lord?" I keep hearing him say, as well as sensing in my spirit, that Revival is coming and it is time for the people of God to get to WORK!

You see, revival is not just a bunch of people getting saved. It's a bunch of people being raised from the dead and re-created in Christ into new beings. "We are God's masterpiece. **He has created us anew in Christ Jesus**, so we can do the good things he planned for us long ago." *Eph 2:10*

Every great revival throughout history has been marked by great societal impact. Social assistance ministries were started. Women and minorities were given opportunities that they didn't

have before. Laws that honored God were enacted. Education was made available to all. Missionaries were sent to previously unreached areas. All of these and so much more were ripple effects from past revivals.

**Do you want to see change? It's not enough to just pray for revival.** We believe our prayers are powerful and effective, so revival is coming. But it's time for us to **stop asking God to send someone else!** Stand up and volunteer for duty! "How can I be a part of the work you want to do? **God, send me** to someone who needs to hear about Jesus!"
