

# FANNING THE FLAMES

## THINK IN YOUR PRIVILEGES by Mary Leonard

*In* 2016, the Lord spoke to my spirit and said to me “Learn to speak like I speak”. Those six words actually changed my life forever. I began to put a guard on my tongue but I soon learned that even when you stop speaking negatively, you could still have terrible thinking! Changing your thinking and changing your speaking go hand in hand. Even when you are careful with what you say, whatever you constantly think about is what end up coming out of your mouth. “...For of the abundance of the heart, the mouth speaks.” (Luke 6:45)

To speak like God speaks, order your thoughts

in line with your rights as a believer. The Lord told me when I asked about all these health problems I was experiencing, to not think about all my problems and infirmities, but to keep my eyes on Jesus, who is the author and finisher of my faith. (Hebr 12:2) Keeping your eyes on Jesus means keeping your eyes on all the promises of healing and prophecy fulfilled: and there are thousands of them. Keeping your eyes on Jesus means learning to speak like God speaks. It means learning to think like God thinks.

Thinking like God thinks means pulling down strongholds of thinking and of our minds that have been long held. Even when we know and

## ANXIOUS? GET PEACE WITH GOD.

*The Bible says that you can have real peace in your heart—the kind that is lasting! It's only through Jesus. Our own sin is what separates us from God. But God, who is full of mercy, sent His son Jesus to earth to die to take the penalty for our sins. We can be forgiven & cleansed, just do what the bible says in Romans 10:9 “If you openly declare that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved.” Don't wait, do it today! Then let us know so we can celebrate with you!*

## INTERPRETING SPIRITUAL DREAMS

By Sarah Leonard Rackley

The Bible tells us that in the last days believers will have all kinds of supernatural encounters including dreams (Joel 2:28). I believe we are in a time where God's spirit is being poured out, so when you have the dream or vision from the Lord, you must know how to interpret it.

## THINK IN YOUR PRIVILEGES

By Mary Leonard

confess scripture, our personal situation can set up a stronghold in our minds. If we are believing God for something, and rehearsing scriptures over that situation, but don't believe or see how that situation can ever change, we need to pull down that stronghold! We don't identify with our situation; we identify with who the word of God says that we are. We aren't denying that the situation exists, we only deny it's right to continue to stay that way.

You have been bought with a price (*1 Cor 6:20*), with the precious blood of Christ, the anointed. You have a right to remain NOT silent! You have a right to bind up, and a right to loose (*Matt 16:19*). You have a right to take your authority and to reign in this life (*Rms 5:17*). here and now. Let your thoughts run over the goodness of God. Think about what is true, honest, just, pure, lovely and of a good report (*Phil 4:8*). Think on the healing that was bought and paid for: by his stripes you are, and were, healed (*Isa 53:5, 1 Ptr 2:24*). Learn to order your thoughts aright (*Pss 50:23*). Let your meditation on the word be acceptable to God (*Pss 19:14*). Don't think about your problems, you don't have any!

All you need is faith in God! (*Mk 11:23*) And you've got that! It's a gift of God lest anyone should boast (*Ephs 2:8*).

First, use the Bible as your framework. God's word is truth, and he doesn't contradict himself. (*Jn 17:17; Num 23:19*) Your dream should have connections to the scriptures, and be based on the word of God.

Second, be led by the Holy Spirit. If you need more understanding, pray in tongues (*Rms 8:26-27*). The Spirit will remind you of scriptures, and also download to you understanding of the images in your dream or vision.

Third, be patient. Secrets are revealed through diligent pursuit of the Lord. (*Prov 2:1-9*) Do these, and you will have wisdom.
